

# Christmas on the Canal

## Your class has been selected to perform at Christmas on the Canal Sunday, December 2

Each year we have a great time performing at Christmas on the Canal. It's a nice way to welcome the holiday season!

### When and where

- Christmas on the Canal
- **Sunday, December 2**
- Village of Spencerport (outside)
- Meet at the Gazebo at 1:15
- Performance time is 2:00 - 2:30

### Who will Perform

The classes listed below have been selected to perform. There is a restricted performance time, so we are limited in the number of classes we can ask to participate.

Classes will learn a short routine during their regular class. There will be an 'all class' rehearsal on Saturday, December 1 from 2:00 - 3:30.

### What they'll wear

Dancers will wear the blue jackets that they wore last year, but different accessories. We will order jackets for dancers that are performing, but don't yet have a jacket.

If your dancer:

- has a jacket, the cost of the performance outfit is \$10.
- does not have a jacket, the cost of the performance outfit is \$45.

### Please let us know!

This is a team event. We would love for every student from each class to participate.

Please respond by November 11 (sooner if possible!). It is important that you let us know for choreography purposes.

If your dancer:

- **cannot** participate, reply to this email to let us know.
- **can** participate, register on the [LDW Portal](#).

When you register, the \$10 fee for the performance outfit will be added to your account. If we order a jacket for you, the fee will be adjusted. Please be sure to answer the questions on the registration form.

This is a great opportunity for our dancers to perform! We hope you can join us!

---
