

Get Recital Music and Practice

Practice!

Practicing at home with the music is very beneficial for students. Please download the music and encourage your dancer to practice, practice, practice! Recital will be here before we know it!

Name of Recital Music

If you do not know the name of the recital music, you can look it up on the [2019 Recital Music List](#). The recital music is listed by instructor, and class day/time.

Downloading your music

Important: Downloading the music can be a bit different depending on what browser you are using (Firefox, Chrome) or when using a computer versus a phone.

To download the music:

1. Go to [Recital Music](#).
2. Select the appropriate Instructor folder.
3. **Right-click** on the music title and select **download**. Depending on your browser, the file may automatically be saved to your Download folder.
4. If your file does not automatically save, select **Save** and the file will be saved to your Download folder

Music not there?

There may be a few songs that are not yet available in the instructor folder. Please talk to the instructor to find out when the music will be available.
