

November Parent Observation

It's observation time! Students are working very hard and love to show you what they've learned!

See the schedules below for the observation day for your dancer.

Hilton

- [November 5 - 10 & November 14](#) - Studio A & B

Spencerport

- [November 5 - 10](#) - Studio A & B
- [November 13 - 17 & November 19](#) - Studio C

Note: The studios are closed Monday, November 12 for Veterans Day.

Important

Please check the schedules for the exact observation dates if your dancer has class on:

- Monday with Miss Paige
- Monday with Miss Danielle
- Wednesday with Miss Danielle
- Wednesday with Miss Trichia

During observation, please give the dancers your undivided attention. Distractions (extensive conversations, children running up and down the stairs, etc) are disruptive to the students and teachers. We would like this to be an enjoyable time for everyone!

We look forward to seeing you!

Miss Trichia
