

## Last chance to order!

Everyone has not yet ordered their recital tights. We've extended the deadline until Saturday, April 6. Order your tights today!

---

### Ordering Recital Tights

#### Who should order tights

- All dancers in Level II & up, and Level I Irish need to order tights.
- You **do not** need to order tights if your dancer is in a Tots, Level I or Advanced Level I class. Dancers will get their tights when they bring home their costumes.

#### What tights does my dancer need

The [Recital Tights - Color & Style List](#) shows you what tights you need to order for each class/instructor.

#### How to order tights

To order recital tights, complete the [Order Form](#) and bring it to the front desk. Keep in mind that accidents do happen and dancers can put a hole in their tights. Having an extra pair of tights is recommended.

#### When does the order have to be in

It is **best** to order the tights **during observation week**. At the very latest, orders must be in by March 30. Payment is due when you place your order.

It's very important to get your order in on time. Please don't wait!

Thank you!
